

Meeting of the Advisory Board

Hungary, Budapest, February 28 - March 1, 2017

The Advisory Board involves all project partners.

The main conclusions of the meeting were the following:

Setting up national working groups in each participating country.

Profile of the members of National Working Groups:

- Erasmus+ youth NA staff
- stakeholders, decision-makers of municipal level youth work and youth policy
- professionals, experts who are influential about municipal level youth work
- professionals with a diverse range of expertise reflecting on the needs of the field
- persons who have knowledge and experience about the challenges of municipal level youth work
- representatives of youth councils
- researchers who are involved in studies on municipal level youth work
- representatives of networks, umbrella organizations dealing with municipal level youth work

Tasks of the National Working Groups:

- contribute to the mapping exercise
- send participants to the conferences of the project
- disseminate the project outcomes at the national level

- act as multipliers regarding the project
- define, plan, realize national activities
- link international and national level developments, projects
- contribute to realizing the planned outcomes and outputs of the projects including the recommendations on municipal level youth work and policy

Possible aims of the project at the national level

- Bringing NAs closer to the local level;
- Introducing the international/European element (international youth work) to municipal level youth work;
- Getting to know the needs of local youth work, youth workers better;
- Networking: Building links between stakeholders within the municipal level and between the national and municipal level as well (youth workers, decision makers and staff members of municipalities). Links between municipalities can be established as well;
- Common aims: learning from and inspire each other;
- Sensitizing those youth workers by the project who are not active on European level yet – once being part they will be much more motivated.
