

Activating citizens - Municipalities making use of the European Solidarity Corps

08/03/2021 - News from Partners

Are you working at a municipality? Would you like to promote active citizenship in your community? Are you interested in European programmes, namely the European Solidarity Corps? Would you be happy to hear from colleagues how their municipality and community benefited from the European Solidarity Corps?

If you answered with a „yes” to all questions, this on-line seminar is designed for you!

What do we offer at the webinar?

- Inspiring examples of municipalities and local organization which activated their communities through international volunteering or other solidarity projects
- An insight about the European Solidarity Corps programme
- Networking for future cooperation
- Exchange of experience and views about the practicalities of project implementation at the municipality

When and where will this happen?

On-line, on 27-28 April 2021 (from 9:30 to 15:00 CET each day)
