Webinar 'Developing municipal youth strategies'

Hungary, online, September 28 - September 28, 2021

Judit Balogh from EGL gave a presentation about the project at the webinar 'Developing municipal youth strategies' held by the Hungarian National Agency. Europe Goes Local and Democracy Reloading, two largescale NA-cooperation projects, were presented as European tools to Hungarian youth workers and municipal representatives.

The participants also got an overview of the situation of municipal youth work provision in Hungary. They learned about good practices and discovered methods to create local youth strategies.
