

Newsletter Europe Goes Local

26/07/2022 - News from Europe Goes Local

Europe Goes Local will be launching a biweekly newsletter in the future. EGL will be using this new communication channel to send the latest news to the mailbox of interested people.

The themes of the newsletter will be:

- Events and activities of EGL
- News and activities of partners
- Articles and videos about good practices
- Important highlights of European youth work for local youth workers

EGL aims to launch the future newsletter in the fall, but you can already [subscribe here](#).
