

Call for participants: study visit Sustainable Local Youth Work in Slovakia

08/09/2022 - News from Europe Goes Local

Sustainable local youth work in Slovakia

Study Visit

9-12 November | Slovak Republic

For municipal youth work actors and stakeholders

Get insights to the reality of local youth work and youth participation

Application deadline 4 October: <http://trainings.salto-youth.net/10572>

The study visit will provide insights to the reality of local youth work and youth participation, through visiting three municipalities of the region. It will take place from the **9th to the 12th of November** in Trenčianske Teplice, Slovakia. The **application deadline** is **4 October**.

The study visit will provide insights to the reality of local youth work and youth participation, through visiting three municipalities of the region. You will meet a diversity of local stakeholders, experts and practitioners and reflect on quality aspects of youth work and youth participation from the perspective of Europe Goes Local and Democracy Reloading tools.

You can find more information and apply [here](http://trainings.salto-youth.net/10572).
