

Study Visit on Street Work

Germany, Cologne, May 13 - May 16, 2024

This study visit aims at exploring street work with young people in Cologne, Germany with a focus on the main character of street work and working with specific projects within the municipality of Cologne.

The participants will be introduced to the street work system for young people, meet the representatives from the city municipality, and exchange experiences and practices on how they are working with young people who are living on the streets. The participants will also get some insights of the German concept of “community work” as a method and get some knowledge about the networking partners as well. Another program point will be the online counselling-street work.

This study visit is a part of the Europe Goes local strategic partnership to increase the quality of local youth work through international best practice sharing.

The application deadline is 16 March 2024. Please apply through the [Salto website](#).
