

Quality development in Youth Work

„Effectiveness Dialog in NRW“

Cascais

5. June 2018

Martina Leshwange

WHY

JWG

- ▶ Control –und Intervention Rights
- ▶ Children and adolescents objects of public concern

KJHG

- ▶ Offer and Benefit Law
- ▶ Children and adolescents are subjects with claims against the state

Legal Framework

Milestone in quality development in youth work (Child and Youth Services Act)

- ▶ Young people should be provided with the youth work services necessary to promote their development.
- ▶ They should build on the interests of young people and be co-determined and shaped by them, empower them to selfdetermination and encourage and lead to social responsibility and social commitment.
- ▶ **Legal obligation for youth welfare planning**

Effectiveness Dialog ...Aims

For the technical reflection of the promotion, an effectiveness dialogue is introduced in the year 1999.

He should aim for

- ▶ To check the effective use of the funds
- ▶ Suggestions for changes and further developments
- ▶ Conditions for the financial support of the country

Activities

Youth Work

- ▶ Activities for young people, mainly in the form of leisure time provision
- ▶ Outreach youth work

Quality standards

- ❖ Participation of young people
- ❖ Gender accessible
- ❖ Inclusion

Key Performance Indicator
