## WORKING WITH YOUNG PEOPLE

### PROMOTE YOUNG PEOPLE'S PARTICIPATION AND INFLUENCE

*Support more young people to carry out their ideas and projects. Engage young people in the development of youth work. Support young people to self-organise.*

### SUPPORT YOUNG PEOPLE'S LEARNING AND PERSONAL DEVELOPMENT

*Stimulate non-formal and informal learning. Get better at highlighting the learning and skills of young people to themselves and society at large.*

### COOPERATION IN ORDER TO ENHANCE YOUNG PEOPLE'S OPPORTUNITIES

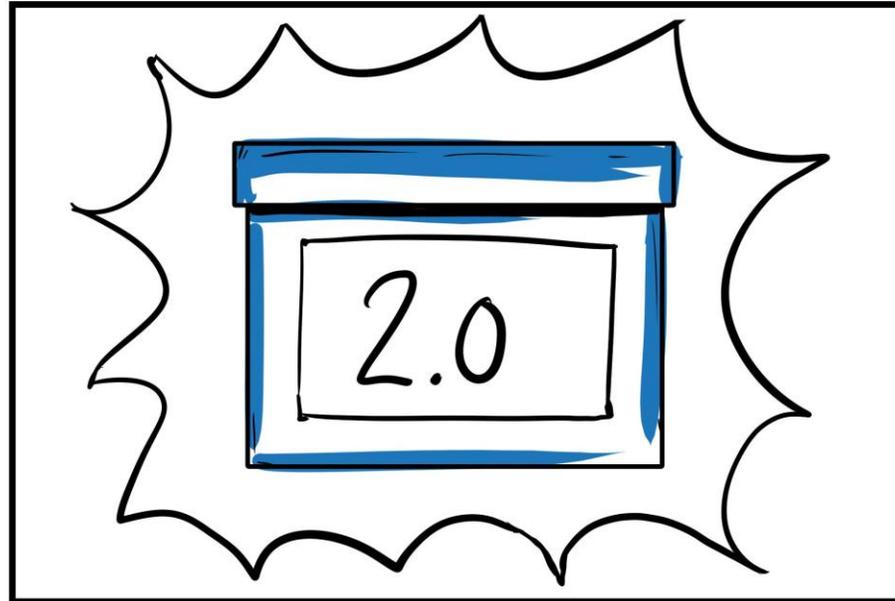

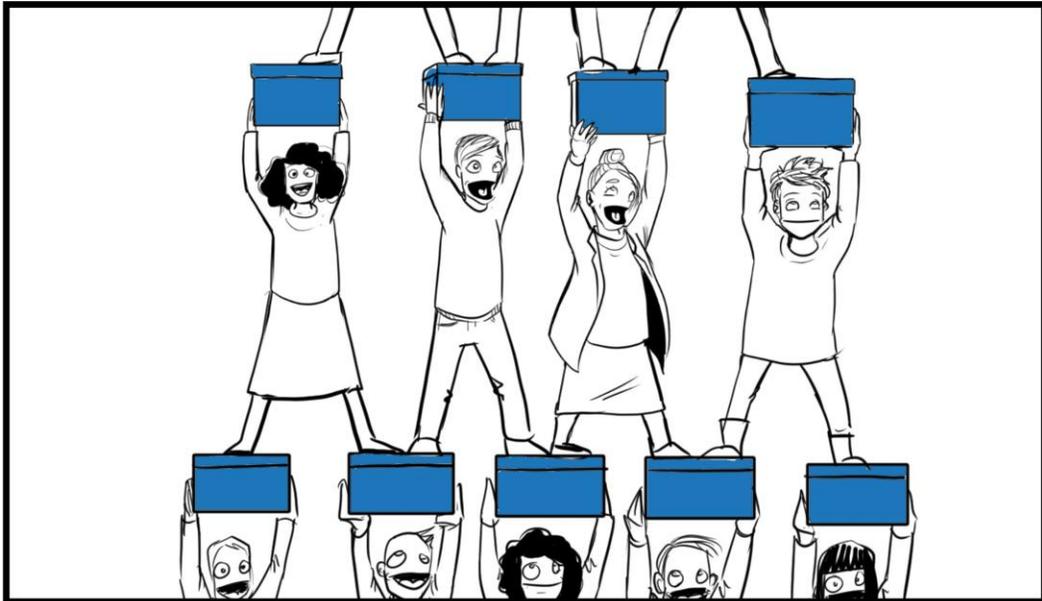

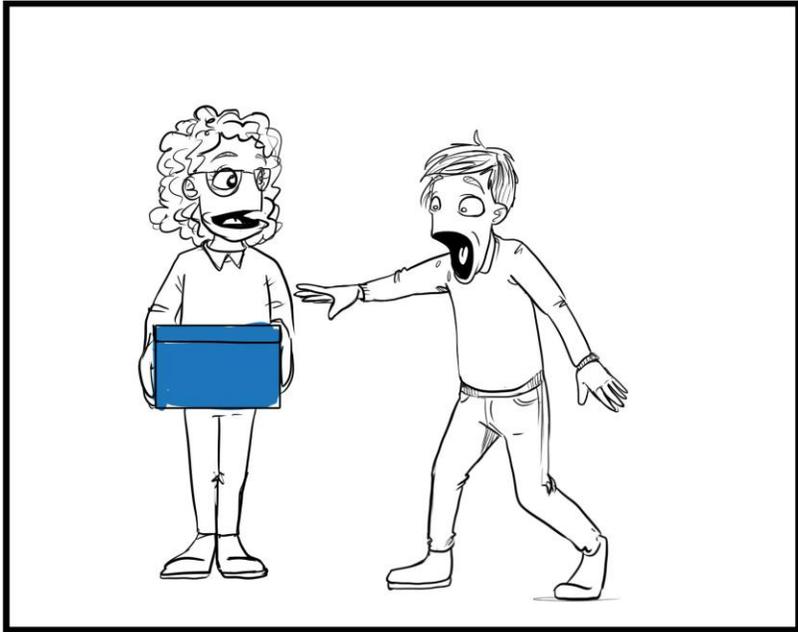

*Actively seek out more stakeholders to cooperate with to give young people access to more resources and more opportunities. Widening the networks to guide young people further.*

### YOUNG PEOPLE'S ACCESS TO THE WHOLE CITY

*Youth work shall be actively inclusive and offer equal opportunities to all young people. Youth workers strive to be the city's cutting edge when it comes to communicating with young people. It should be well-known to young people what the leisure activities offer and stand for.*
